A LITTLE HOUSE ON THE MOON

C#m C#m4 C#m
 I'm living in a little house,
 C#m4 E

 Little house on the moon

 I guess you think it's just a funny house,
 C#m4 E
 A funny house but soon,
 E4 B
 Funny house but soon,
 B4 C#m
 You'll join me on the moon

A A13 E
 I had to walk a long long way,
 E4 B
 To reach heaven in my lifetime,
 B4 F#
 Heaven in my lifetime,
 A
 And now I've found :
 A13 E
 A place with no money,
 E4 B
 No possession, no god, no need,
 B4 F#
 Nothing to bind my mind,
 C#m C#m4 C#m C#m4
 And now I'm happy !

I have tried so many times
 To find a suit that'd fit,
 That would not be too tight,
 But as I could not, as I could not I
 Took a rocket-plane,
 Flew above the rain,
 Right up to the stars !
 And now I'm happy.

I've been alone for many years,
 Hidden in my tree,
 Stuck in my cocoon,
 But I know that, but I know that soon,
 I will get used to me,
 I will learn from silence,
 I will learn from absence.
 Now I have to be happy.

GIVE ME THE SUN

Give me the sun for a day

Whoever, whenever, whatever

Give me a smile, just one smile
And I'll spread it, mile after mile,
'Cause it wouldn't mean a thing
If I couldn't laugh with you
Whoever, whenever, whatever

Give me the world and I'll try
Bm Bm7
To deserve it, I don't lie

Living it without you

ON MY WAY

C C4 C
 I'm on my way, my way back home,
 F C
 And I fear that you love another
 G F C
 'Cause I've been away far too long

Am Em
 I've walked on many pathways
 F C
 So many my shoes passed away
 Em* F C
 But I've made friends who lent me theirs

Am Em
 I've been given many names
 F C
 But none of them would fit
 Am G F
 'Cause I'm named by the wind

I'm on my way, my way back home,
 And I fear that you love another
 'Cause I've been away far too long

I've met men and stories
 Some heartbreaking some heartwarming
 I tell you the saddest man is the lonely one

I've been told so many truths
 So many lies that words disguise
 I closed my ears but my eyes are wide open

I'm on my way, my way back home,
 And I fear that you love another
 'Cause I've been away far too long

I've been hunting ghosts and shadows
 All the road along,
 But I found I was one of them

I've been running days and nights
 but all the beauty in this world
 Can be seen in your eyes

 Bb F C
 What a nice day it was to take a life :
 G# G Cm
 A sunny sunday morning for a crime

On my way home I met a guy
 He said : "I can help you if you want her to die,
 It will cost you a bunch of roses."
 "If you wanna help why don't you mind your own business !
 I may call you at the end to clean this mess :
 A murder is a family affair !"

I tried the poison but she wouldn't drink,
 I tried to drown her but she wouldn't sink
 I guess she is the waterproof woman.
 I shot her down but she stood up again
 I got a machine gun but used it in vain :
 I guess she is the bulletproof woman.

I finally offered her to go for a walk,
 Just a little walk on the path along the cliff
 And she came ! Oh God ! She's so stupid !
 Telling her about the sea I slowly led her to the edge,
 And, violently pushed her, but she avoid me at the last minute ;
 Now I'm flying with the angels.

But now it's morning and my nightmares fade away

I feel the silence, I fear its violence,
Turn up the sound so my mind can dance,
Spring is coming, now I've been waiting
So long I just wanna get off the ground

You may wanna smile, you may wanna cry
 Any day, any time, to please you I'd lie
 I can be anyone, and change in a snap,
 But I, sometimes, forget to be me,

I can climb on a plane or fly to the moon
 Be a spy at midnight and a cowboy at noon,
 I can be a hero, I won't die I know,
 Unless it's written in the script

Living in a movie the sun is shining
 And when it rains it's just to show I'm sad,
 Living in a movie there's no cloudy night
 And when it rains it's just for me to dance

THE WATER IS WIDE

Capo II

 C F C
 The water is wide I can't get over
 Am F G
 And neither I have wings to fly
 Em F C
 Give me a boat that can carry two
 F Em F C
 And both shall row - my love and I

A ship there is and she sails the sea
 She's loaded deep as deep can be
 But not so deep as the love I'm in
 I know not if I sink or swim

Oh love be handsome and love be kind
 Gay as a jewel when first it is new
 But love grows old and waxes cold
 And fades away like the morning dew

The water is wide I can't get over
 And neither I have wings to fly
 Give me a boat that can carry two
 And both shall row - my love and I

Bringing more sun
More water, more care,
But 't was all in vain
I lost the game
't will be long until I see
Their color again

I saw across the land
Green turning gray
Orange, velvet, white,
Fading away
No hope, no joy,
Nothing but rain
Filling your heart

Now there's no earth no sky
No black, no white,
Just a strange light,
Am I alive ?
Or is this the end ?
No space, no time,
No color at all
